The Municipal Council of Hassan should have taken action long ago to levy octroi at 2 pies per 100 betel leaves from 1933 upwards as clearly enunciated in the Act, if the D C Hassan had sent up the Nil c/s returns dated 13th May the order which is now proposed to be passed could have been issued before the Assembly meetings commenced A pleader was also held with this

Sir,

Subject - Reduction in the rate of levy of Octroi duty on betal leaves in Hassan Town Municipality

Adverting to your letter No L 11771-3/Ml 112-41-59 dated 19th June 1942 on the above subject, I have the honor to state that Octroi was being recovered at 2 pies per 100 betal leaves in accordance with the Byel as sanctioned by Government in their Order No L 6147-Ml 123-10. 10 dated 21st March 1917 and no action had been taken by the Municipal Council to revise the same, though it was being repeatedly observed during inspections to revise the bye-law suitably in accordance with the New Municipal Act of 1933

In accordance with the resolution of the Byelaw Committee, action was taken by the Municipal Council in the matter of the reduction of the rate of Octroi duty and as no objections were received, the Council finally decided at their meeting held on 13th May 1942 to obtain sanction of Government to the reduced rate

The rate of one pie per 100 leaves now proposed is the maximum rate allowed to be fixed in schedule II of the Town Municipal Act and I request that sanction of Government may kindly be obtained to the proposal of the Municipal Council and to amend that portion of the old byelaws accordingly

I have the honor to be,
Sir,
Your most obedient servant

Deputy Commissioner,
